SUPPLEMENTAL DECLARATION UNDER 37 C.F.R. §1.131

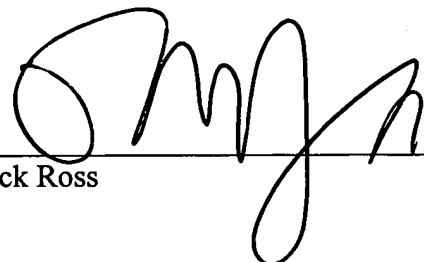

1. We are co-inventors of the "Object Universe" that is the subject of the patent application identified above.
2. We both executed the Declaration Under 37 C.F.R. §1.131 received December 21, 2005 by the United States Patent and Trademark Office ("USPTO") in the prosecution of the above-identified patent application.
3. The screenshots of Exhibits A-J were made for the purpose of responding to the examiner's action in the above-identified patent application.
4. The screenshots of Exhibits B-J were made using the Java source code created prior to April 23, 1999.
5. The screenshots in Exhibits B-J demonstrate that our Java source code created prior to April 23, 1999 works and practices the invention as set forth in the Declaration Under 37 C.F.R. §1.131 received by the USPTO on December 21, 2005.
6. Prior to April 23, 1999, our Java source code worked as it does today to practice the invention as set forth in the Declaration Under 37 C.F.R. §1.131 received by the USPTO on December 21, 2005.
7. We each hereby declare that all statements made of our own knowledge herein are true and all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application in connection with which

this declaration is being submitted to the Patent and Trademark Office, or any patent issued thereon.
